I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNOSOM FOR THE PERIOD 1 MAY 1992 TO 30 APRIL 1993

A. Period from 1 May 1992 to 30 April 1993

1. By its resolution 751 (1992) of 24 April 1992, the Security Council decided to establish under its authority a United Nations Operation in Somalia (UNOSOM). By resolution 47/41 of 1 December 1992, the General Assembly decided "at this stage to appropriate, in accordance with the recommendation contained in paragraph 42 of the report of the Advisory Committee [on Administrative and Budgetary Questions (A/47/674)], a total amount of 109,652,000 United States dollars gross (107,912,800 dollars net), inclusive of the amount of 17,410,000 dollars authorized with the prior concurrence of the Advisory Committee, for the period from 1 May 1992 to 30 April 1993".

2. The General Assembly further decided, as an ad hoc arrangement, to apportion the amount of 6,953,100 dollars gross (6,741,600 dollars net) for the period from 1 May to 31 October 1992 and the amount of 102,698,900 dollars gross (101,171,200 dollars net) for the period from 1 November 1992 to 30 April 1993 among Member States and to set off against the apportionment Member States' respective share in the Tax Equalization Fund of the estimated staff assessment income of 211,500 dollars for the period from 1 May to 31 October 1992 and 1,527,700 dollars for the period from 1 November 1992 to 30 April 1993 approved for UNOSOM.

3. The amounts so appropriated by the General Assembly were apportioned among Member States in accordance with the provisions laid out in section I.B. below and are shown in sections IV and V below.

B. Apportionment of the costs of peace-keeping operations

4. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

5. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

6. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

7. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNOSOM. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including 7 new Member States in 1991, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 of 20 December 1991. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991.
